

Hello TAHL Players,

We have had many ask about our upcoming season. Due to many unknown factors related to COVID, it appears we are unable to begin a new season at this time. Since we are not a typical league or a typical rink, we simply do not have the staff and resources that it would take to abide by rules established by the TCC, City of Tucson, Pima County, State of Arizona and USA Hockey. We feel that the soonest we would be able to start a league would depend on the Tucson Roadrunners and their ability to operate in a somewhat normal fashion.

We understand that the TCC is hoping to have ice this fall. If so, there are 2 groups that operate pick-up hockey and they are open to the public. Here is their contact info:

R-TEAM Hockey Club - contact Trent Boice at rteamhockeyclub@gmail.com you will need to email them in advance to receive sign up information.

or

CO-ED Adult Pick up - contact Eric Brindza at www.TucsonHockey.org and they only take advance on-line registrations.

The Tucson Adult Hockey League, LLC has been in operation since 2007. It truly pains us to miss out on this season.

Best regards,

Danny Plattner
Pat McDonagh
