

## Holiday Ice Rink Info for TAHL Volunteers

- The first weekend was packed. We need many more volunteers so we have added more weekend slots.
- Once you sign up to volunteer, your name is on the list at the ticket booth for unlimited returns. However, the list may be outdated so please let the rink staff know that you are a volunteer with the Tucson Adult Hockey League.
- If you are going to the rink, feel free to jump on as a volunteer if needed
- There are Yellow vests for us to wear while volunteering
- Volunteers can leave their shoes in the shed, but please be aware that there is limited space
- Try to park on the surface streets. There are a few passes on site that we can use for the Toole Parking lot. But, the pass must be returned after your shift
- You will receive 2 bracelets for return visits. If the rink staff are unaware of this, contact Danny and he will get you the bracelets. Same for Roadrunners swag if not in the shed.
- Your roll is to be on the ice at all times. Please try to spread out, especially when the rink is crowded. Take a break when needed.
- Do not use your cell phone while on the ice. If you need to use your phone, please leave the ice surface
- No food or drinks allowed on the ice, this includes water bottles.
- Please help the zamboni drivers to clear the ice and shovel the edges and remove the snow
- There are plastic reindeer and seals that are used by new skaters to push. Parents can place their kids in the seal and push them, but adults are not allowed on them.
- Adults are not allowed to carry young children or babies while skating
- Obviously be polite and if there are any issues, find a rink worker to deal with issues or injuries
- If someone falls, just ask if they need help to get up before reaching down. Most of the time they don't need it. Also, remind them to watch their fingers and get up one foot at a time from a crawl position.
- Please do not allow anyone to sit on boards.
- If you are unable to make your shift, please let us know ASAP
- Everyone must sign a waiver before entering the ice surface

It's great to see people out there on the ice for the first time! Finally a big THANK YOU to those we recruited on the spot to help out last weekend. It was much needed and appreciated. Questions? Feel free to call or text either of us. Or, email [league@tahl.org](mailto:league@tahl.org)
